## ***Information For Personnel In A Debriefed Status***

By signing DD Form 1848 (Debriefing Memorandum) you acknowledge that you have been debriefed from access to Sensitive Compartmented Information (SCI) and that you have been reminded of the importance of your continuing obligation to protect classified information. This pamphlet reviews your responsibilities and is yours to keep for future reference.

### ***Obligation #1 Protect What You Know***

Your responsibility for safeguarding sensitive or classified information vital to our national security is not confined to your assignment or affiliation with the Defense Intelligence Agency. You must continue to protect all classified information you acquired during your affiliation with the Agency. The safeguarding of classified information is a lifelong obligation.

### ***Obligation #2 If The Worst Happens***

If you become aware of an inadvertent disclosure, compromise, or security violation, directly or indirectly, you must immediately report it to security officials. Many times, incidents not promptly reported have led to even greater damage to our national security.

***A Lifelong Obligation***

### ***Obligation #3 Prepublication Review***

Information you learned because of your association with DIA must be reviewed by DIA, *before* you release it to the public, to ensure it contains no classified information. This includes both public speaking and writing for publication, or furnishing the information to others for speaking or writing. Contact the DIA Public Affairs at (b)(3) 10 U.S.C 424 for details.

### ***Obligation #4 Foreign Travel***

You do not have any travel restrictions. However, keep in mind the impact of travel to hazardous areas on the SCI knowledge, which you still possess. A foreign intelligence service, or worse, a terrorist organization could target you. Neither case is appealing. Such travel could also affect your ability to be reindoctrinated for SCI in the future.

### ***What Can I Say In My Resume About My Clearance?***

Refrain from using digraphs, trigraphs, or other terms such as code-words or nicknames. DIA recommends you use the following statement to explain your security clearance status:

"Cleared For Top Secret Information And Granted Access To Sensitive Compartmented Information By The Defense Intelligence Agency, Based On A Single Scope Background Investigation Completed On (Fill In Date)."

### ***Miscellaneous Notes***

We have provided you a copy of DD Form 1847-1 (SCI Nondisclosure Statement), also known as the NdA. Many of your questions can be answered by reading through it. However, if you have problems or questions, please feel free to call or write us. The address and phone numbers appear on the back cover.

An Agreement Between _____ and the United States Government	
(Printed or Typed Name)	
<p>1. In order to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information or material protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or in the process of a classification determination under the standards of Executive Order 12356 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.</p> <p>2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons in whom I contemplate disclosing this information have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this Agreement continue to exist whether or not I am required to sign such subsequent agreements.</p> <p>3. I have been advised that unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge anything marked as SCI or that I know to be SCI to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I understand that it is my responsibility to consult with appropriate management authorities in the Department or Agency that last authorized my access to SCI, whether or not I am still employed by or associated with that Department or Agency or a contractor thereof, in order to ensure that I know whether information or material within my knowledge or control that I have reason to believe might be SCI, or related to or derived from SCI, is considered by such Department or Agency to be SCI. I further understand that I am also obligated by law and regulation not to disclose any classified information or material in an unauthorized fashion.</p> <p>4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information or material, any writing or other preparation in any form, including a work of fiction, that contains or purports to contain any SCI or description of activities that produce or relate to</p>	<p>4. I understand and agree that my obligations to submit such preparations for review apply during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the preparation with, or showing it to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose the contents of such preparation to any person not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.</p> <p>5. I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the preparation submitted pursuant to paragraph 4 set forth any SCI. I further understand that the Department or Agency to which I have made a submission will act upon them, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 90 working days from date of receipt.</p> <p>6. I have been advised that any breach of this Agreement may result in the termination of my access to SCI and removal from a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including the provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this Agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.</p> <p>7. I understand that the United States Government may seek any remedy available to it to enforce this Agreement, including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorneys' fees incurred by the United States Government may be assessed against me if I lose such action.</p> <p>8. 8. (Continued) court of law. Subject to such determination, I do not now, nor will I ever, possess any right, interest, title or claim whatsoever to such information. I agree that I shall return all materials that may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code.

9. Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all the conditions and obligations imposed upon me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.

10. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions and obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.

11. These restrictions are consistent with and do not supersede conflict with or otherwise alter the employee obligations, rights, or liabilities created by Executive Order 12356, Section 7211 of Title 5, United States Code (governing disclosures to Congress), Section 1034 of Title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the military).

The definitions, requirements, obligations, rights, exceptions and liabilities created by said Executive Order and listed statutes are incorporated into this agreement and are controlling.

13. I have read this Agreement carefully and my questions, if any, have been answered to my satisfaction. I acknowledge that the briefing officer has made available Sections 793, 794, 798, and 952 of Title 18, United States Code, and Section 783(b) of Title 50, United States Code, and Executive Order 12356, as amended, so that I may read them at this time, if I so choose.

14. I hereby assign to the United States Government all rights, title and interest, and all royalties, remunerations, and emoluments that have resulted, will result, or may result from any disclosure, publication, or revelation not consistent with the terms of this Agreement.

15. This Agreement shall be interpreted under and in conformance with the laws of the United States.

16. I make this Agreement without any mental reservation or purpose of evasion.
